Dear

Freedom of Information Act 2000 – Request for Information

Thank you for submitting a request for information which we received on 14th May 2024 in relation to County Durham and Darlington NHS Foundation Trust (the Trust). Your request has been processed under the provisions of the Freedom of Information Act 2000 and I am now able to provide you with a response.

Your request was in relation to Grey Documents and I am providing the following information in response to your specific questions:

I am looking for any policy documents or training materials I can reuse for the research and analysis whether in PDF, word document, PowerPoint presentations, audio, videos, signposts, posters, handbooks, or leaflets that you give to professionals to make them more trauma-informed in the management of psychological trauma including the impacts of sexual abuse or domestic violence. This could be delivered as a training session by professionals such as a psychologist, occupational therapist, or psychiatrist. What interventions or outcome measures do you have? I am aware this is not a massive range of examples but anything of that nature is helpful.

Please see attachments one and two. They are a slide presentation pack which is delivered to the Trust's Domestic Abuse Champions Training. Please note the slides are not specifically trauma informed; but there is trauma practice running through the training.

In line with the Information Commissioner's directive on the disclosure of information under the Freedom of Information Act 2000 your request will form part of our disclosure

log on the Trust's website. However please be assured that we anonymise all responses prior to adding them to the disclosure log.

I hope that this response has provided you with the information you had requested. If you have any queries or wish to discuss the information supplied, please do not hesitate to contact me by telephone or in writing. If however, you are dissatisfied with the way in which your request has been handled and would like an internal review, you will need to contact me in writing at the above address or via cdda-tr.cddffoi@nhs.

If you remain dissatisfied with our response following an internal review you have the right to appeal to The Information Commissioner at Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF. More information is available on their website; www.ico.gov.uk.

Yours sincerely

Corporate Records and Freedom of Information Facilitator
