Freedom of Information Act 2000 – Request for Information

Thank you for your request for information received on 31 August 2018 in relation to the County Durham and Darlington NHS Foundation Trust (Trust). We are dealing with your request under the provisions of the Freedom of Information Act 2000.

You requested information regarding mortuaries. Specifically you asked for:

Please can you tell me how many pathologists the Trust has employed in each year for the last 6 years?

Answer: The Trust has employed 7 pathologists each year for the last 6 years

Also, for each year over the past 6 years please can you provide me with?

- ***the date a body arrived at the mortuary***
- ***the date a post mortem was started on this body***
- ***the date release papers were signed to allow this body to be removed from the mortuary following the completion of the post mortem***

The Trust does not centrally record this information, to supply the number would require the review of data which would take over the permitted timescale within the act therefore; we are refusing this section of your request for information pursuant to section 12 of the Act on the grounds that we estimate that the cost of complying with the request would exceed the appropriate limit. The appropriate limit at the present time is £450.00 which equates to eighteen and quarter hours of work by a member of staff at the rate of £25 per hour.

In line with the Information Commissioner's directive on the disclosure of information under the Freedom of Information Act 2000 your request will form part of our disclosure log. Therefore, a version of our response which will protect your anonymity will be posted on the County Durham and Darlington NHS Foundation Trust website.

If you have any queries or wish to discuss the information supplied, please do not hesitate to contact me on the above telephone number or at the above address.
