Freedom of Information Act 2000 – Request for Information

Thank you for your request for information received on 23 October 2018 in relation to the County Durham and Darlington NHS Foundation Trust (Trust). We are dealing with your request under the provisions of the Freedom of Information Act 2000.

You requested information regarding the electronic health records system. Specifically you asked for:

We are interested to understand the IT applications that County Durham and Darlington NHS Foundation Trust are using to manage the clinical records of patients across all departments and specialities listed below.

Our request is limited to systems holding patient clinical records as an electronic health record (EHR), and excludes systems such as Patient Administration Systems (PAS), Portals, and other back office corporate systems that are not used by clinicians to handle patient clinical records.

I anticipate that this list of IT applications should be available as part of the Trust's compliance with GDPR.

For each system, please list both the system name and the manufacturer or vendor. Where there is an in-house IT application, please provide contact details for the person responsible for this application.

We have provided an excel spreadsheet and would ask that you provide the requested information via a completed copy of this spreadsheet.
