### **County Durham and Darlington NHS Foundation Trust replies:**

We would draw your attention to the following guidance, published on the Information Commissioner's website under 'How to access Information from a public body' and have provided the link below:

*“Your request can be in the form of a question, rather than a request for specific documents, but the authority does not have to answer your question if this would mean creating new information or giving an opinion or judgment that is not already recorded.”*

Your request consists of a number of questions, requiring the Trust to explain why certain events occurred in many cases or asking the Trust or certain officers to justify their actions or explain why their actions are, in your opinion, subject to certain characteristics. To the extent to which such information exists and is held by the Trust, and available for disclosure under the Act, it will be contained within your son's health record. Access to health records can be arranged by our Access to Health service who can be contacted via the main switchboard telephone number: 01325 380100, extension 28639.

In line with the Information Commissioner's directive on the disclosure of information under the Freedom of Information Act 2000 your request will form part of our

disclosure log. Therefore, a version of our response which will protect your anonymity will be posted on the County Durham and Darlington NHS Foundation Trust website.
