**County Durham and Darlington NHS Foundation Trust replies:**

Please see attached document. Please note we do not differentiate between squamous and non-squamous NSCLC on ChemoCare (our e-prescribing system). Instead we only have the following diagnoses:

- Adenocarcinoma of the lung
- NSCLC
- NET of the lung

We have provided numbers for adenocarcinoma of the lung (one of the non-squamous variants available on the system) and also figures for NSCLC but please note that this data will include squamous and non-squamous histology.

In line with the Information Commissioner's directive on the disclosure of information under the Freedom of Information Act 2000 your request will form part of our disclosure log. Therefore, a version of our response which will protect your anonymity will be posted on the County Durham and Darlington NHS Foundation Trust website.
