County Durham and Darlington NHS Foundation Trust replies:

The Trust does not centrally record this information, the size of the data collection and collation exercise would take over the permitted timescale within the act therefore; we are refusing this section of your request for information pursuant to section 12 of the Act on the grounds that we estimate that the cost of complying with the request would exceed the appropriate limit. The appropriate limit at the present time is £450.00 which equates to eighteen and a quarter hours of work by a member of staff at the rate of £25 per hour.

If you would like to refine your request, the Trust could provide the total amount of these drugs that we have supplied over the last 12 months. This would not be by indication or patient.

In line with the Information Commissioner's directive on the disclosure of information under the Freedom of Information Act 2000 your request will form part of our disclosure log. Therefore, a version of our response which will protect your anonymity will be posted on the County Durham and Darlington NHS Foundation Trust website.
