Freedom of Information Act 2000 – Request for Information

Thank you for your request for information received on 16 December 2019 in relation to the County Durham and Darlington NHS Foundation Trust (Trust). We are dealing with your request under the provisions of the Freedom of Information Act 2000.

You requested information regarding sepsis. Specifically you requested information as follows:

Please can you supply me with a list of every patient death by sepsis over the last 10 calendar years (removing any person information that might identify the patient if necessary to comply with data protection laws)?

If possible, this should include any internal investigation carried out by the Trust, or any notes that give information on what treatment the patient was given before they died.

County Durham and Darlington NHS Foundation Trust replies:

The Trust does not have a central record of this information. It would take a member of staff a number of weeks in order to gather the information requested. Therefore, we are refusing this section of your request for information pursuant to section 12 of the Act on the grounds that we estimate that the cost of complying with the request would exceed the appropriate limit. The appropriate limit at the present time is £450.00 which equates to eighteen hours of work by a member of staff at the rate of £25 per hour.

In line with the Information Commissioner's directive on the disclosure of information under the Freedom of Information Act 2000 your request will form part of our

County Durham
